

***Glasgow v. Allen***  
**Exhibit B**

September 17, 2008

The Honorable Richard Allen  
Commissioner  
Alabama Department of Corrections  
301 S. Ripley Street  
Montgomery, AL 36130-1501

Dear Commissioner Allen,

It has been brought to my attention there is currently an organized voter registration effort taking place in Alabama's correctional facilities. The Alabama Republican Party is in full support of increasing the amount of registered voters in the State, and has many programs designed to facilitate this. However, we do not support the registering of individuals, who have committed crimes and are currently incarcerated in the penal system.

Furthermore, I have concerns about potential issues with how this effort is being monitored to ensure no form of voter fraud occurs. To that end, I respectfully request an outline of the protocol and safeguards your agency has in place to protect against this. It is of utmost importance to our candidates and the voters of Alabama we play a lead role in ensuring the elections process is lawful and sound.

Thank you very much for your time and attention to this matter. I appreciate your continued service to the State of Alabama.

Sincerely,

Mike Hubbard  
Chairman, Alabama Republican Party
